

Bible Group Study Guide

Happy Love Day – No Zoom this Wednesday, but still spend time with God.

- 1) If you created a billboard about Sunday's message to encourage other believers – what would your billboard say? **It has to be 10 words or less and send this message to your family support ministry line on Wednesday.**

- 2) Sunday's message was a series of encouragement shared by First Lady Adkins - one being from Hebrew 13:6, which encouraged us to remember God is with us.
 - a) Here are some other passages that encourage us as followers of Jesus and Children of God. Read the following passages, jot down the encouragement that the Word of God is offering us as believers.
 - Philippians 4:1-13

 - Matthew 28:16-20

 - Joshua 1:1-8

- 3) **Ministry In Practice:** Live out your faith – encouraging and loving on other people is an essential part of following Jesus and our FSM Mission – Love God. **Love People.** Love LA. This week purchase a \$5 gift card or \$5 E-gift card and bless someone within your bible group - whoever God leads you to bless. Pray about who God wants you to be an encouragement to ***(Do not focus on receiving a gift card – focus on loving and encouraging someone else, because you already received the greatest gift – Jesus Christ!)***
